Guest List / Drinks Only Bookings

Ideal for busy periods, a Guest List/ Drinks Only booking is ideal for groups dining elsewhere or later arrivals. It ensures priority entry at the door on busy nights and our hosts will do their best to accommodate your group with an area on the night, subject to availability.

Most Guest List bookings get seated within 30 minutes of arrival so if you don't mind having a drink at the Bar while we arrange seating this option is ideal, however during busy periods it should be treated as an 'entry only' booking and not a guaranteed seating reservation.
